Rich:

Would you like me to set-up a call w/ Heaton? Or, do you just want to cold-call him?

Mr. Setran:

I told you what I had been told by Leon May who is the brother to deceased Ray May and is the project manager of PTP, Inc.. PTP, Inc has retained Mr. Scott Heaton, Esq. to represent the corporation in this transfer to the Homeowners Association and to represent us before the BIA. His office number is (775)

b6

Maybe he can clarify your questions.

Sincerely, Howard Yarborough

Mr. Yarborough:

I've had recent conversations with the BIA and Pineview Estates HOA, both of which have indicated that PTP Inc. and Leon Mark Kizer are the current owners of the wastewater infrastructure at the Pineview Estates. During a telephone conversation with you earlier this month, I thought you told me that the HOA inherited the infrastructure by way of an earlier agreement specified in a "master lease" signed by all parties some years back.....however, I may have been confused as the matter is a bit complicated. I'd like to set-up a conference call with you to discuss this issue, and I would like to arrange it so that Richard Campbell (EPA attorney) and Mr. Kizer can also participate. Please give me a call so that we can discuss arranging such a call. Thanks in advance, Aaron
